Prêt à Porter

La collezione Prêt à porter nasce da un'idea del designer Roberto Semprini, che ha saputo recuperare con grande sensibilità le trame di tessuti classici, autentica icona di un certo lifestyle, e renderle attuali e nuove, coniugando design e tradizione.

The Collection Prêt à Porter is an idea of the designer Roberto Semprini, who had the sensibility of returning to the texture of classic materials, real icon of a certain lifestyle, and has made them actual and new, combining design and tradition.
